# Welcome

On behalf of the Town of Two Hills, the County of Two Hills and Village of Myrnam, **WE WELCOME YOU TO THE REGION.**  
Our communities and surrounding area have lots to offer and there is always something to do.

The County of Two Hills was mainly a Ukrainian settlement that is still rich in the Ukrainian culture. It has changed over the years and is now quite diverse with people from many ethnic backgrounds and cultures; predominately Low-German Mennonites, migrating mainly from Mexico. The Two Hills area attracts them because of the many Mennonite Churches, businesses and the education offered through the Two Hills Mennonite School.

## About this directory

This directory has been developed by the staff of the Two Hills Adult Learning Council and Two Hills FCSS:

- to make settlement easier for newcomers to the area
- to act as a guide for visitors
- to provide information and contacts for *all residents* in the area on accessing local, provincial and federal services and programs.
- to act as a guide for recreational facilities, sites, and organizations

Funding provided by:

Alberta Labour – Immigrant Settlement and Language Programs

**Government  
of Alberta**

## MEDICAL SERVICES

**Website:**

[www.health.alberta.ca/](http://www.health.alberta.ca/)

Health services in Alberta are delivered by Alberta Health Services.

All new and returning Alberta residents must register for Alberta Health Care Insurance Plan (AHCIP) coverage. (can be done at some registry agents)

**Alberta Aids to Daily Living-** assists Albertans with long-term disability, chronic illness or terminal illness, in maintaining independence in their community.

### Drug coverage and supplementary health benefits

**Continuing care system-** provides health, accommodation and personal care services needed to support independence and quality of life.

**Protection for persons in Care-** promotes prevention and responds to reports of abuse of adult Albertans receiving care or support services from publicly-funded service providers

**Health benefits and services-** additional health services

**Primary health care-** the first place people go for health care and wellness.

4401-53ave  
780-657-3344

The Two Hills facility offers a wide range of health services to the surrounding communities. Approximately 200 AHS staff provide care to the local community.

**Some of the highlights of the health services offered at the Two Hills Health Care include:**

### EMERGENCY DEPARTMENT

The 24 hour emergency department has 6 care spaces, including 1 trauma room, where 4 local family physicians provide emergency care on a rotating basis, along with a combination of registered nurses, licensed practical nurses and administrative staff.

### ACUTE/REHAB CARE

The 27-bed acute medical unit with 12 beds dedicated to a unique rehabilitation program called (SAGE) Stroke and Geriatric Empowerment is staffed 24-hours per day by a combination of registered nurses, licensed practical nurses, and nursing attendants.

### SAGE REHABILITATION UNIT (STROKE AND GERIATRIC EMPOWERMENT)

The Stroke and Geriatric Empowerment Unit (12 beds) provides a multidisciplinary rehabilitation program that strives to meet the programs goal of achieving maximum independence and life satisfaction to the clients that are entrusted to our care. The team follow the guidelines put forth by the Alberta Stroke Strategy Council. The unit also provides geriatric assessments and rehabilitation to the elderly that are functionally deconditioned. The team consists of a Transition Coordinator, LPN's HCA's, Social Worker, Dietician, Therapy Assistants, PT, OT, SLP, RT and mental health services on a referral

# MEDICAL SERVICES

## LONG TERM CARE

Located within the Two Hills Facility, the 56-bed long term care unit provides care to the seniors whose care needs cannot be managed in the community, and require 24 hour access to health professionals. The unit also has 1 respite bed available for the community.

## DIAGNOSTIC IMAGING

A wide range of diagnostic services are provided including x-ray and Holter monitors.

## LABORATORY SERVICES

Laboratory services provides in-patient as well as out-patient coverage.

## PHYSIOTHERAPY

Physiotherapy provides a wide-range of treatments to inpatients, Long Term Care residents and home visits.

## OCCUPATIONAL THERAPY

Offers cognitive assessments, swallowing assessments, home assessments and lower leg assessment and fits clients with home adaptive equipment.

## RESPIRATORY THERAPY

Works closely with physicians and their patients; provides pulmonary function tests, respiratory assessment for both inpatient and outpatients.

## RECREATIONAL THERAPY

Working with clients in long term care, recreational therapists help keep clients minds and bodies active.
